

**REMARKS**

The foregoing amendments are presented to place the application in compliance with the Sequence Rules under 37 C.F.R. § 1.821-1.825.

Enclosed herewith is a substitute Sequence Listing in paper and computer readable form as required by 37 C.F.R. § 1.821(c) and (e). The content of the substitute computer readable copy is the same as that of the paper copy and no new matter has been added.

The substitute Sequence Listing corrects the errors noted in the Notice of Defective Response. A copy of the Notice is attached herewith as required.

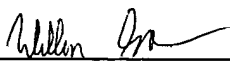

The substitute Sequence Listing has been run through the PTO Checker software (version 4.4.0) and no errors were found.

In view of the foregoing, it is believed that each requirement set forth in the Notice has been satisfied, and that the application is now in compliance with the Sequence Rules under 37 C.F.R. § 1.821-1.825.

Favorable action on the merits is respectfully requested.

Respectfully submitted,

Akiho YOKOTA et al.
